Release Summary

OMB notified the PMO that FDMS cannot provide the ability for agency users to update metadata associated with the Unified Agenda. The primary additions and changes to the FDMS 4 software for this release includes the following:

- Remove the Unified Agenda tab from FDMS.

Remove the Unified Agenda tab from FDMS

Users will no longer be able to access and/or edit the Unified Agenda metadata through FDMS. In order to view the metadata, users will need to go through Regulations.gov.
